

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HJR 127

February 28, 2013

SUMMARY OF BILL: Encourages the State Board of Education (SBE) to include energy conservation when developing curriculum and frameworks for kindergarten through twelfth grade. Encourages local education agencies (LEAs) to include courses and content on energy conservation, including but not limited to, home energy conservation methods in appropriate grade levels.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The fiscal impact assumes that the action urged by this resolution will be implemented and reflects the cost of implementation.
- The SBE will include any needed changes in its curriculum through the normal course of curriculum development without an increase in meetings or other expenditures.
- LEAs may include such content in their existing courses. Any permissive increase in local expenditures is estimated to be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
